## Keeping Focus

Gary Osborn | April 22, 2018

1. Does the Lord have my full focus? How can I grow in loving God and people?
2. According to the blessings and curses in Joshua 8, what curses has the Lord delivered you from and what blessings have you experienced?
3. According to Luke 9:52-62 people were distracted from following Jesus by:
  - Personal offenses
  - Comfort
  - Previous Commitments
  - Family Obligations

Have I been distracted by any of these? How can I improve in these?
