

Discussion Questions

Who We Are - Leadership

Gary Osborn | November 20, 2018

1. Why is it important that we know what the Bible teaches and follow what it says closely? 2 Samuel 6:6-8

Why would God take Uzzah's life when it appeared to be was trying to do what he thought was right?

Is being sincere and having the right motivation enough in following God?

2. Why is having good leadership in the church critical? How does it affect the lives of people in the congregation?

3. Why is Paul's list of leadership qualities more about "being" and not about "doing"? Titus 1:5-9

Which of these qualities do I need to work on?

4. God is looking for servant leaders. Matthew 20:26-28

Why is being a servant vital for leaders in God's church?
How can I be a better servant?
